

Manitoba Government Job Opportunities

Medical Technologist

MG2 Medical Technologist 2

Regular/full-time

Department of Agriculture
Animal Health and Welfare/VDS, Industry Advancement
Winnipeg MB

Advertisement Number: 45217

Salary(s): MG2 \$87,550.00 - \$110,002.00 per year

Closing Date: June 25, 2026

The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

This is a preference competition. All applicants are encouraged to apply, however first consideration for this competition will be given to women, Indigenous people, visible minorities and persons with disabilities. Applicants are requested to self-declare at the time of application.

This competition will be used to establish an eligibility list for current and future regular and term Medical Technologist positions, subject to staffing approval. This eligibility list will remain in effect for 12 months.

Introduction

The Department of Agriculture is seeking qualified candidates for the role of Medical Technologist – Virology with the Animal Health and Welfare Branch - Veterinary Diagnostic Services Laboratory.

Duties:

Reporting to the Virology Supervisor, the Medical Technologist will perform routine and specialized Virology test procedures including Polymerase Chain Reaction (PCR), enzyme-linked immunosorbent assay (ELISA) and fluorescent antibody techniques on specimens obtained from animals with minimal supervision. This position requires knowledge of the science involved with various test procedures and the ability to learn new advanced laboratory techniques in a timely fashion.

Why Work For Manitoba Government?

The Manitoba government values its employees, recognizing the important role that each person plays in delivering exceptional services, programs and support to the province. Your important contributions are recognized with a comprehensive package of benefits, including an attractive salary, pension plan, health and wellness benefits, and other supports to encourage work-life balance.

Financial Security

- Attractive salaries
- Defined pension plan
- Life insurance coverage
- Long-Term Disability Plan

Benefit Plan

- Employer paid health care benefits including health, dental and vision
- Extended health care for services such as physiotherapy, chiropractor, massages, acupuncture and more
- Annual health spending account for eligible employees

Commitment to Health and Wellness

- Employee and Family Assistance Program
- Paid time-off including sick leave, wellness days and family related leave days
- Flexible work arrangements for eligible positions
- Generous vacation entitlements, increasing with years of service
- Parental, maternity, and adoptive leave options

Professional Growth & Development

We want our employees to thrive and grow, and are committing to investing in their development. We offer multiple avenues of support such as in-house training, educational assistance and leadership development programs to help achieve these goals.

Organizational Culture and Values

The Manitoba government is committed to a work environment and culture that values and recognizes every employee. When we look at Manitoba's Public Service, we see a reflection of Manitoba's diversity. We come from differing educational, cultural, and ethnic backgrounds and work in a wide array of jobs across the province, we are all public servants.

Impact on Manitoba's Future

By working for Manitoba's Public Service, you have the unique opportunity to use your time to serve the land, communities, and the people

of Manitoba. You can leave a lasting mark that will impact both current and future generations.

Qualifications:

Essential:

- Work related or academic experience analyzing samples in a diagnostic laboratory environment -
- Experience performing molecular biology techniques (e.g., PCR) and/or serological techniques (e.g., ELISA) within a laboratory setting
- Knowledge of molecular biology techniques
- Ability to coordinate multiple tests within tight deadlines and conflicting demands
- Ability to perform tests and record data with accuracy and attention to detail
- Knowledge of laboratory health and safety procedures
- Strong verbal communication skills
- Strong written communication skills
- Strong interpersonal skills
- Ability to work cooperatively in a team environment
- Experience with Microsoft Office including Word, Excel and Outlook

Desired:

- Post-secondary degree in biological science with specialization in microbiology and/or molecular biology

Conditions of Employment:

- Must be legally entitled to work in Canada
- Must be a Licensed Medical Laboratory Technologist, and currently registered and in good standing with the College of Medical Laboratory Technologists of Manitoba (CMLTM), or eligible for registration with CMLTM prior to commencement of employment
- Must provide and maintain a satisfactory Criminal Record Check
- Must be able to meet all requirements of the organization's rabies vaccination policy
