CMLTM Acknowledgement Statement

We would like to begin by acknowledging that the College of Medical Laboratory Technologists of Manitoba is built on Treaty 1 Territory; the original lands of Anishinabe, Ininiwak, Anishininwak, and Denesuline peoples, the unceded territory of the Dakota people and the traditional homeland of the Red River Métis Nation.

We respect all Treaties that were made on Manitoba territories and acknowledge the harms and mistakes of the past and present. We dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.
