Approved
American Society for Clinical Pathology (ASCP) Gynecological and non-gynecological assessment slide program
American Society for Histocompatibility and Immunogenetics (ASHI) quarterly quiz
American Society of Cytopathology (ASC) Cyto-e-conference with certificate. 1.5 hours per e-conference
ASCLS PACE assessed courses
Association of Genetic Technologists (AGT) webinars or journal readings with test of learning
Canadian Centre for Occupational Health and Safety (CCOHS) WHMIS (after GHS) For Workers online course (not if required by work)
Center for Disease (CDC) online courses
CLEAR Inspection/Investigator Program
Colorado Association for continuing Medical Laboratory Education Inc. Courses – PACE assessed, with passed test of learning.
CSMLS assessed courses listed on their Course/Credit Listing Quick Reference Guide
CSMLS podcasts with completed quiz and certificate indicating date of completion and PEP hours granted
CSMLS CJMLS article quizzes with certificate indicating date of completion and PEP hours granted
IHI courses
MediaLab courses with passed test of learning
Red River College (RRC) Management program (use CSMLS assessment)
RRC microcredential courses (Nasopharyngeal swab, Vaccination)with certificate of successful completion
Sysmex online continuing education programs – (NOT those assigned by the employer for equipment training)
University of Alberta_ Indigenous Canada
WHO Courses (Respiratory Infection, Intro to Covid-19 methods of detection prevention control and response, Standard precautions)

Not Approved
Training to be a MLT
Employer assigned competency assessments (e.g. WHMIS, Fire safety, Routine Practices, etc.)
Courses offered by institutions of learning not assessed, or pending assessment, by the CSMLS

Approved and Not Approved CE Activities List

Table 2: **Non-Formal Documented**; Med lab related activity with approved documentation supporting attendance and hours attended. If no hours are listed, 1 credit hour will be credited. See CCC Policy 4 Appendix 1. Certificate must be provided by the provider and must include the following: Name of provider and activity, name of attendee (typed in by provider), date, hours attended, or CE credit granted.

Approved
American Association of Blood Banks (AABB) teleconferences
American Association of Clinical Chemists (AACC) courses
American Board of Histocompatibility and Immunogenetics (ABHI) programs
American Society for Clinical Pathology (ASCP) offered CE
Association of Genetic Technologists (AGT) Conference
Association of Public Health (APL) teleconferences
Blood Day (with approved documentation)
Bloodsafe, offered by the government of Australia
Bug Day (with certificate)
CancerCare Oncology Rounds
Center of Phlebotomy CE
Colorado Association for Continuing Medical Laboratory Education (CACMLE) teleconferences
Conflict Resolution workshop with documentation
CSMLS assessed courses listed on their Course/Credit Listing Quick Reference Guide
CSMLS webinars
CSMLS LabCon
CMLTM Annual Meeting Guest Speaker Presentation
Genetics Rounds Annual Summary
LabRoots
Linked-In Learning (appropriate topics)
Lunch and Learns – original material is presented and a certificate is provided
MAMLS Congress
Manitoba Indigenous Cultural Safety Training
Mayo Clinic webinars

Microbiology Plate Rounds with CMLTM approved certificate
National Society for Histotechnology (NSH) teleconferences
Pediatric Tumour Rounds
Shared Health Interdisciplinary Preceptor Workshop
Sysmex Education Day
Transportation of Dangerous Goods (TGD) (non-employer)
Vet medicine sessions with topics related to Med Lab
Winnipeg Academy Spring Fling
WRHA Accountability in Action workshop

Not Approved
Activities with sign-in sheets only as documentation (see Non-Documented activities)
Blood Management Rounds (see Non-Documented activities)
CBS Instructional Staff Training Program (assigned, not volunteer)
CMPT (clinical Microbiology Proficiency Testing)
College of American Pathologists (CAP) required training
