Approval of a Conditional Certificate to Practice

The College of Medical Laboratory Technologists of Manitoba (CMLTM) must carry out its activities in a manner that serves and protects the public interest. The Board of Assessors (BOA) must ensure an applicant is qualified to practice as a Medical Laboratory Technologist (MLT) and is granted the appropriate certificate to practice as indicated in section 6(1) of the Medical Laboratory Technologists Regulations.

Definition: Conditional Certificate to Practice – a temporary certificate to practice which requires the applicant to work at all times under direct supervision of a Medical Laboratory Technologist with an Active Certificate to Practice and any other conditions imposed by the BOA.

Eligibility: A Conditional Certificate to Practice may be provided to applicants who are:

- recent graduates of a CMA or Accreditation Canada (HSO) accredited MLT program, who wishes to begin supervised practice before taking the Canadian Society of Medical Laboratory Science (CSMLS) certification examination or while awaiting the results of the examination
- internationally educated applicants who wishes to begin supervised practice and are approved to write the CSMLS certification examination or while awaiting the results of the examination
- re-entry applicants who have not practiced for a minimum of 1200 hours, in the immediately preceding five-year period,

A Conditional Certificate to Practice is valid for a period of nine (9) months to allow the applicant two (2) attempts at the CSMLS examinations. Failure to pass the second attempt of the exam will result in the suspension of the Conditional Certificate to Practice.

Medical Laboratory Technologists are entitled to be granted a Conditional Certificate to Practice provided that the applicants:

- Meets the eligibility requirements outlined above

- their name has not been removed for cause from the register of persons authorized to engage in the practice of medical laboratory technology in Canada or elsewhere.
- they have not been suspended or under investigation as a result of professional misconduct by a regulatory authority governing the practice of medical laboratory technology or any other regulated profession in Canada or elsewhere.
- they do not suffer from a physical or mental condition or addiction to alcohol or drugs that make it desirable in the public interest that they not practice medical laboratory technology.
- they are able to communicate in English in accordance with the language fluency policy established by the Council.
- they have not been convicted of an offence that is relevant to their suitability to practice
- if previously registered as an MLT in one or more other jurisdictions in Canada, they must provide a Letter of Standing from all other jurisdictions in which they were registered
- pay the fees provided for in the by-laws.
- agree to abide by the mandatory supervised practice requirement
