### **Approval of a Temporary Certificate to Practice**

The College of Medical Laboratory Technologists of Manitoba (CMLTM) must carry out its activities in a manner that serves and protects the Public interest. The Board of Assessors (BOA) must ensure an Applicant is qualified to practice as a Medical Laboratory Technologist (MLT) and is granted the appropriate Certificate to Practice.

An Applicant qualified to practice medical laboratory technology in another jurisdiction may provide medical laboratory technology services to the Public in Manitoba for a specific purpose and for a limited time period (three months) may apply for registration on the temporary practice register.

Definition: Individuals who are eligible to practice as an MLT in another jurisdiction in Canada who wish to practice in Manitoba for a specific purpose and for a limited period of time.

#### **Approval of an Application for a Temporary Certificate to Practice**

##### **Applicant:**

- submits a written application to the BOA stating the specific purpose and proposed length of time that he/she wishes to practice.
- provides evidence satisfactory to the BOA that he/she is qualified to practice medical laboratory technology in the other jurisdiction and has a level of competence appropriate to the specific purpose. A Letter of Standing from all regulated jurisdictions in which they practiced in the preceding 5 years is required.
- provides any additional information that the BOA may require in the form within the time set by the BOA.
- pays fees provided for by the by-laws.

If on receipt of an application, under subsection 8.1 of the Medical Laboratory Technologists Regulation, the BOA is satisfied that it is in the Public interest to practice on a temporary basis, the BOA may submit a letter of approval for a Temporary Certificate to Practice, dated and signed by the Chair of the Board of Assessors or designate, along with a notation on page one (1) of the application indicating approval for a Temporary Certificate to Practice dated and signed by the Chair of the Board of Assessors or Designate, to the Registrar.
