**COVID-19
BULLETIN #70**

Public health officials advise one new case of COVID-19 has been identified as of 9:30 a.m. today, bringing the total number of lab-confirmed positive and probable positive cases in Manitoba to 281.

The data also shows:

- five individuals are currently hospitalized, with no individuals in intensive care;
- 38 active cases and 237 individuals who have recovered from COVID-19; and
- the number of deaths due to COVID-19 remains at six.

As of yesterday, an additional 643 laboratory tests were performed. This brings the total number of tests performed since early February to 26,806.

For up-to-date information on testing criteria and community screening sites, visit www.gov.mb.ca/covid19/locations.html. For more information and to access the online screening tool for COVID-19, visit www.manitoba.ca/covid19.

All Manitobans returning to work are now eligible to access the temporary child-care system to find a location that meets their needs. Families can use the online tool at <https://eswchildcare.ca/> to view available spaces and then contact centres directly to finalize arrangements. Licensed centres are able to provide care for up to 16 children per centre. Larger centres with separate rooms and external entrances can accommodate up to 16 children per room. Home-based child-care providers can continue to provide care for up to eight children.

Restoring Safe Services Together, Manitoba's pandemic and economic roadmap for recovery is available at www.manitoba.ca/restoringsafeservices. Updates have been

made to this document to clarify inconsistencies between the plan and the recent public health orders. Businesses with questions about how the new orders apply to them should visit <https://engagemb.ca/>.
