CMLTM VISION, MISSION, VALUE STATEMENTS

VISION:

Excellence in medical laboratory diagnostics and patient safety through the regulation of Medical Laboratory Technologists.

MISSION:

Protection of the public through ethical and competent laboratory services by regulation and leadership of the medical laboratory technologist (MLT) profession.

VALUES:

Professionalism: The College ensures our members maintain current practice knowledge.

Integrity: The College will conduct itself in a fair, honest, and transparent manner to our members and the public.

Accountability: The College will be accountable to the public, government, and our members by following policy and conducting investigations in a fair, equitable and confidential manner.
