Guide for Canadian Educated Applicants Active: Practicing Registration

To work as a Medical Laboratory Technologist (MLT) in the province of Manitoba an individual is required to be registered with the College of Medical Laboratory Technologists of Manitoba (CMLTM).

The CMLTM was established in 2007 by the proclamation of The Medical Laboratory Technologists Act. MLTs must practice their profession in accordance with the CMLTM regulations, standards of practice, and meet the continuing competency program requirements. This protects the public's right to safe, effective, ethical service from Medical Laboratory Technologists.

Requirements for Active: Practicing Registration

- 1) Be a Canadian citizen, a permanent resident of Canada, or have an authorization to work under the Immigration and Refugee Protection Act (Canada).
- 2) Have a Canadian diploma/degree in Medical Laboratory Technology from a Accreditation Canada HSO-EQual accredited program.
- 3) Met the English Language Proficiency requirements as outlined in BOA-17 ([listed on the CMLTM website Policies page](#)).
- 4) Successful completion of the Canadian Society for Medical Laboratory Science (CSMLS) MLT examination or Canadian Alliance of Medical Laboratory Professional Regulators (CAMLPR) Field of Practice examination(s).
- 5) Have been actively engaged in the practice of Medical Laboratory Technology for 1,200 hours during the five (5) years immediately preceding the date of the application. Please refer to BOA-06 Re-entry to Practice policy if most recent MLT practice is outside the 5-year period.
